

Dedication Service

An official ceremony to mark the opening of Cam Valley Crematorium was led by the Right Reverend Alan Hopes, Bishop of East Anglia, who was joined by representatives from across the range of beliefs and faiths. The Bishop emphasised the benefit the new crematorium is providing, in ensuring every funeral is carried out as an individual occasion affording the dignity that is required to deliver a unique and personal service in beautiful, natural surrounding that bereaved families can draw comfort from.

Federation Of Burial & Cremation Authorities

Claire Butcher, the Manager of Cam Valley Crematorium, was delighted to receive a Certificate of Full Membership of the FBCA. Before full Membership is confirmed for new Crematoria an inspection by an expert FBCA Officer is carried out to ensure that the standards of operation and administration meet the necessary requirements and Cam Valley passed with flying colours. Brendan Day was very impressed with all aspects of the new Crematorium which opened in January 2018 and complimented Claire and Rob for how well all procedures had been carried out and for precise Record Keeping. Brendan was also very impressed with the building and the attention to every detail.

When Calum is not at work he can be found walking his much loved Beagle 'Bertie', playing football for Duxford United or looking after his indoor marine and outdoor fish, which he successfully breeds.
